Entry of the user information

UA information [+](#)

Owner information [+](#)

[Back](#) [Finish correction](#)

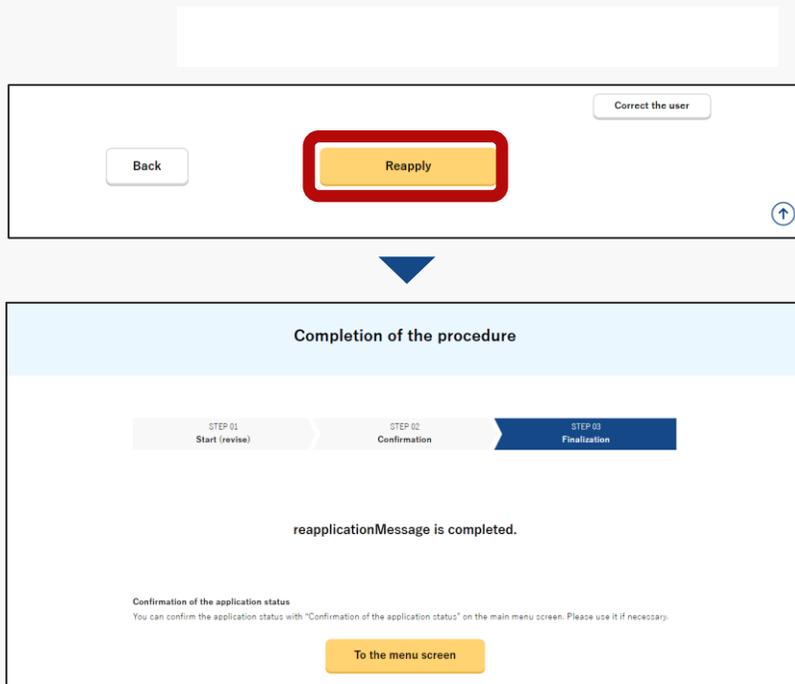

Confirm the application contents on the confirmation page of the owner, UA, and user information.

If any correction is required, press the correction button under the owner, UA, and user information to open the form for correction.

After making corrections in each form, press the "Finish correction" button at the bottom of the form.

The confirmation page of the owner, UA, and user information opens again.

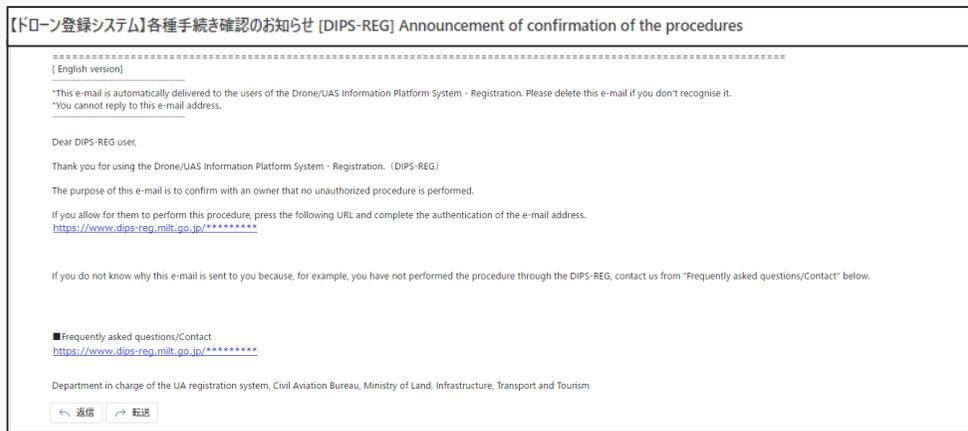

Reapplication [Execution of reapplication]

Press the "Reapply" button on the confirmation page of the owner, UA, and user information.

An arrival confirmation e-mail is sent to the e-mail address of the person to be registered as the owner. The owner confirms the e-mail to confirm the arrival. When arrival confirmation is completed, the procedure completion page opens.

Reapplication [Arrival confirmation]

The owner of the UA opens the arrival confirmation e-mail and confirms the destination of the e-mail. If the destination is the owner and the application procedure is in progress, press the URL for arrival confirmation to complete the authentication of the e-mail address.

After the completion of arrival confirmation by the owner of the UA, the notification contents are confirmed. If there is any defect in the notification contents, a notification may be sent to the e-mail address registered for the account.

The procedure status can be confirmed on the page of the list of application statuses.

*In the case of applying via a smartphone, your application might be led to a fail if it takes over about 10 seconds to open other applications for e-mail and so on on that smartphone .

*If you are into that situation, please check e-mail as soon as possible, check it via other devices (such as a personal computers, tablets and so on) or apply via a personal computer.
